Without Delay

New York, Feb. 28.—A Tribune special
from Baltimore says: Professor
H. A. Rowland of John Hopkins Uni-
versity, after nearly a year's labor, has
been successful in perfecting a re-
markable invention for transmitting
telegrams written upon a type writer
at the place of sending and repro-
duced in typewritten form at the
receiving point.

In addition to the typewriter part
of the invention, Professor Rowland
with his new machine can send over
the same wire five or six different
messages at the same time in one di-
rection, which in duplex, makes ten
or twelve messages that can be trans-
mitted at the same time. Thus with
five operators at each end of the line
300 words a minute can be trans-
mitted.

Fatally Shot

Santa Barbara, Feb. 27.—Very Rev-
erend Ferdinand Bergmeyer, Father
Superior of the Franciscan Mission,
was fatally shot by Bernard Henry
Gerhard Krusemeyer, a man who has
been employed at the Mission for over
a year. Three shots entered the
priest's body and one his head. Father
Bergmeyer is still alive but his recov-
ery is impossible. Krusemeyer im-
mediately gave himself up and is now
in jail. He has given conflicting
stories and he is supposed to be men-
tally deranged. Other priests say
that there has always been a friendly
feeling between the Father Superior
and Krusemeyer, and can give no
other reason for the attempted mur-
der. The shooting occurred in the
Mission and intense feeling has been
aroused. Father Bergmeyer has
been here ten years and is held in
great esteem by all classes.

Peal Bryan

Cincinnati, Feb. 27.—In anticipa-
tion of the arraignment today of
Scott Jackson, and Alonzo Walling
for the murder of Peal Bryan, large
crowds gathered about the City Hall
and the jail early this morning.
While the authorities considered the
assemblage due to sensational curi-
osity rather than any conspiracy for
a lynching, yet they took the precau-
tion to evacuate both crowds. At 11 A. M. it
was announced that the arraignment
had been continued to a date that the
Court would not divulge now or here-
after to any one. It is believed that
counsel have agreed to have the case
taken up at any time when there is no
prospect of a disturbance.

TIMES CHANGE ALSO PRICES.

Do you realize this. Do you know what
made it. It was not the old time grocers who
showed the people the value of a dollar, but
new blood forced new prices to the front and
showed the people where they were at.

We did not have to reduce prices to
meet them *they came to our price.* This is
our claim. We only want you to know where
the credit belongs and deal accordingly

We changed with the times, not after
them, and our groceries are sold for modern
prices.
